1 PETER 1: 7

INTRO

D
Still I breathe beneath the weight,
Of what I can't control.
Bm
You've never left me in the ache,
G
So I won't let go.

VERSE ONE

G **A** **Bm**
Shadows fall where light once stayed,
G **A** **D**
Dreams undone, but You remain.
G **Bm**
In the silence where I prayed,
G
You were writing hope again.

PRE-CHORUS ONE

G
Every tear became a seed,
D/F# **A**
Of the faith You're growing in me.

CHORUS ONE

D
Even now, You're still enough.
A
When I break, You build me up.
Bm
You're the steady in my storm,
G
The mercy keeping me warm.
D **A**
Even now, even now—
G **D**
You are good, somehow.

VERSE TWO

D
Wilderness and worn-out shoes,
A/C#
I've walked miles I can't explain.
Bm
But every loss You've seen me through,
A
Has led me closer to Your name.

PRE-CHORUS TWO

G
You don't waste the pain I feel,
A
You turn it into something real.

CHORUS TWO

D
Even now, You're still enough.
A
When I break, You build me up.
Bm
You're the steady in my storm,
G
The mercy keeping me warm.
D **A**
Even now, even now—
G **D**
You are good, somehow.

BRIDGE

Fire can't burn what grace refines,

You're still the faithful One.
